Mission / Philosophy

The Getty Foundation fulfills the philanthropic mission of the Getty Trust by supporting individuals and institutions committed to advancing the greater understanding and preservation of the visual arts in Los Angeles and throughout the world.

We do this through grant initiatives that increase access to museum collections, strengthen art history as a global discipline, advance conservation practice, and support current and future leaders in the visual arts. In addition to these initiatives, the Getty supports occasional Special Projects and Residential Grants and Fellowships at the Getty Research Institute and the Getty Conservation Institute.
