Mission / Philosophy

The Y.P. Heung Foundation seeks to positively impact the community by focusing its charitable efforts in Arts & Culture, Education and Health, primarily in Metro Vancouver but exceptional projects and programs from elsewhere in British Columbia are considered.

Considering the size of the Foundation, and in order to effect real change and sustainable impact, we tend to concentrate our efforts on smaller charities and non-profit organizations that have a proven record but are in need of funding for projects and programs.

We prefer to make larger donations to fewer charities and to be at the top 50% of all donors to a given cause. Our support to a charitable organization is on a project basis rather than endowment or operating basis. To create a sustainable impact, we may grant multi-year support to an organization.
