General deadline: Ongoing

Application Turnaround

Applicants will receive a response within a maximum of 90 days after receipt of their application by the Foundation, except for the summer period, when the maximum period is 120 days.

Application Procedure

The Foundation does not use a standard application form. We prefer to receive personalized applications reflecting the character of each applicant organization.

Every application must be composed of the following documents:

- A letter of application indicating the support requested and the period during which the funds will be used.
- A brief presentation of the organization, its fields of activity and its objectives (2 to 4 pages maximum)
- In the case of a project, a description of the project and the implementation budget (including the financial partners involved, if applicable).
- A copy of the organization’s letters patent (only in the case of a first-time application).
- A copy of the most recent audited financial statements.
- The list of members of the Board of Directors.
- A copy of the last annual report or activity report.

To facilitate submission and follow-up of applications, we have developed a short identification sheet for applicant organizations. This document must be included with each application submitted to us and is available for download from the funder website.

Evaluation Criteria

The funder has indicated that requests for funding are preferred from applicants that demonstrate the following.

- ✓ Community / citizen involvement
- ✓ Direct benefit to population being served
- ✓ Innovative ideas / practices
- ✓ Partnerships / cooperation among organizations
- ✓ Strong financial management / practices
- ✓ Sustainable / long term solutions
