Dear Mr. Hildebrand:

Re: Letter of Support – Cowichan Valley Public Art Gallery

On behalf of the Board of the Cowichan Valley Regional District I am pleased to provide this letter of support for the Cowichan Valley Public Art Gallery Society and its initiative to bring a purpose-built art gallery building to the region.

The proposed new Cowichan Valley Public Art Gallery building would be an excellent venue serving the needs of the arts community, including providing exposure to local artists and the ability to host ongoing international, national and local art exhibitions.

This is an exciting time for the Cowichan Valley, and we wish the society all the best in their endeavor to bring this to fruition.

Yours truly,

Ian Morrison
